YOUR FIRST STEP INTO HEALTHCARE

IWTC's Certified Nursing Assistant - Long-Term Care Program combines classroom instruction, skills lab practice, and supervised clinical experience. The goal is simple: prepare students to provide safe, compassionate care and to move confidently toward Florida CNA certification and employment.

LEARN

Patient care, vital signs, infection control, mobility, hygiene, communication, ethics, safety, and resident rights.

PRACTICE

Develop and demonstrate essential nursing assistant skills in the lab and through supervised clinical experience.

LAUNCH

Prepare for certification, build your resume, practice interviewing, meet employers, and receive employment follow-up.

ONE STUDENT JOURNEY. ONE COORDINATED PROCESS.
